CONSCIOUS MANAGEMENT INSTITUTE

WHY
CMI?

Conscious Management Institute (CMI) Higher Education is an international institute of professional higher education in business and technology, offering programmes of excellence focused on STEAM, sustainability, AI, innovation and Industry 6.0.

CMI Business School, its business school, has been named Top Business School in Europe 2025 by the US magazine Education Insider. This prestigious award reflects the outstanding quality, reputation and trust that CMI has built over time.

It also received the award for the most innovative academic programmes in Spain in 2022 from The International CSR Excellence Awards.

At CMI we lead, promote and carry out scientific and technological research covering the entire development and implementation process, from exploring the frontiers of knowledge to the end of the life cycle of every product and service, with the needs of a sustainable, circular economy in mind.

We offer the highest quality standards in our services to society. All our activities follow continuous improvement processes, supported by modern, advanced technological management systems.

CMI has an integrated educational quality management system certified to ISO 9001 and audited by the Universidad Católica de Ávila (UCAV), the Cualificam quality seal in five of its master's degrees, and B Corp certification as a social enterprise.

25 reasons to choose CMI

1.- Outstanding faculty: 75% of our lecturers hold a PhD or are PhD candidates, and hold senior positions at companies such as Telefónica, BBVA and IBM. Our faculty has received the Academic Excellence Award for the Best Faculty in Spain (Fundación Gala). Learn from the best!

2.- Double degree: On completing the MBA or master's degree, students receive a double CMI + Universidad Católica de Ávila (UCAV; RUCT registration code 059) degree, except for Leadership, Ethics and Change Management and Orthodontics, which award a CMI degree.

3.- Personal academic adviser: An expert guides students through admission and scholarship applications at no extra cost.

4.- Practical methodology: Innovative programmes with knowledge and tools that apply directly to organisational leadership.

5.- International outlook: Global case studies and masterclasses by lecturers from prestigious universities.

6.- Positive impact: Education geared towards sustainable growth with economic, social and environmental benefits.

7.- Accredited quality: an integrated educational quality management system certified to ISO 9001 and audited by UCAV, plus the Cualificam quality seal in five master's degrees.

8.- Rankings and awards: CMI has been ranked in the Top 10 in Spain, the United Kingdom and India, reaching #1 for CSR and Sustainable Development education.

9.- Company internships: master's programmes include 300 hours of internships (12 ECTS), which can be recognised with three years of professional experience. Internships may be paid.

10.- Job board: CMI offers an employment portal to improve its students' job prospects.

11.- Employability: CMI master's degrees have a 97% employability rate, supporting graduates' entry into the job market and the career growth of managers.

12.- Careers guidance and coaching: All programmes include personal tutorials and coaching sessions to help students map out their career path with confidence in a dynamic market.

13.- Networking: Activities, conferences and workshops help students and lecturers of different nationalities build professional networks.

14.- Limited places: groups of up to 45 students, for close, personalised learning with lecturers.

15.- Virtual Classroom: A modern, intuitive and accessible platform that supports learning in both on-campus and online programmes.

16.- Flexibility: master's degrees are taught in a 50% hybrid on-campus format or online, with live and recorded classes, so you can study at your own pace and around your working hours.

17.- Coordination and tutoring: Every student has a tutor who provides personalised support and makes sure the academic programme is properly followed.

18.- Alumni Club: On graduating, students join a community with access to discounts, exclusive events, networking and valuable content for their professional development.

19.- Scholarship plan: a scholarship programme recognised by Fundación Gala, helping more people access our programmes with financial support.

20.- Interest-free financing: pay in convenient instalments at no extra cost, or even defer payment until you find a job paying more than €14,000 a year, on request.

21.- Services for international students: Help with visa and residence procedures, health insurance, accommodation and other essential services in Spain.

22.- Prestigious associations: CMI is a member of AEEN and EUPHE, promoting values-based education.

23.- Top-tier clients: The satisfaction of students and companies backs CMI's educational quality, with training eligible for FUNDAE funding.

24.- Support for entrepreneurs: Through its business incubator and accelerator, CMI provides advice and coworking spaces to support start-ups.

25.- Location in Madrid: we are at Gran Vía de San Francisco, 15, in the heart of Madrid, 700 m from Almudena Cathedral and the Royal Palace, with Puerta de Toledo metro station and BiciMAD bike-sharing next to the school.

OUR PHILOSOPHY

The purpose of Conscious Management Institute (CMI) Higher Education is to develop professionals and organisations for achieving sustainable growth with a triple benefit (economic, social and environmental) for a better world.

Training with Social Responsibility

To offer training products and services for excellence in the conscious management of organisations, AI and new technologies making the most of people's talent.

Research

At CMI we foster development and innovation to generate cutting-edge scientific and technological knowledge, in collaboration with sector stakeholders and through the CMI Think Tank and our scientific journal, Conscious Management Institute Journal (CMIJ).

B2B Consulting

Our aim is to offer training services to leaders and organisations seeking excellence in the performance and service of society.

Our motto

Excellence in education, focused on STEAM, sustainability, AI, innovation and Industry 6.0 for a better world. Leading with purpose, innovating responsibly.

MISSION

To train professionals in business and organisational management, leadership, innovation, science and new technologies through cutting-edge STEAM programmes of excellence, boosting their careers and achieving sustainable growth with a triple benefit: economic, social and environmental.

VISION

To become a world-leading STEAM school of business and technology, driving the sustainable growth of organisations with a positive impact on society and the environment.

VALUES

C - Conscious of our role as agents of change in driving the growth of responsible professionals and organisations.
M - Methodical in our teaching processes, so that we deliver innovative, excellent programmes to the full satisfaction of every student.
I - Integrity and ethics in how we work, internally and externally, with students, colleagues and partners, building trust and respect inside and outside the classroom.
B - Beneficial to society and the environment, with the firm purpose of helping to create a better world through quality education.
S - Sustainable through our contribution to the community, developing professionals and organisations with a positive impact for the generations of today and tomorrow.

CENTRO COLABORADOR

Conscious Management Institute (CMI) Higher Education, an international institute of professional higher education in business and technology focused on STEAM, sustainability, AI, innovation and Industry 6.0, is a partner centre of the Universidad Católica de Ávila (UCAV; RUCT registration code 059).

Under this agreement, most of CMI Business School's MBAs and master's degrees, all its Specialist Diplomas and the Expert Diploma in Corporate Social Responsibility and Sustainability lead to a double CMI + UCAV degree. UCAV also audits CMI's educational quality management system.

The Catholic University of Ávila is an active hub that engages with every sector of society in both directions. Its professionals from all sectors bring real-world needs into the classroom, anticipating training tailored to the demands of the job market.

Programmes: MBAs and master's (1/2)

Responsible MBA: Develops executives with an all-round vision (planning, finance, marketing, operations and talent), with sustainability and Industry 6.0 as cross-cutting principles.

MBA in Sustainable Tourism: Prepares you to lead public and private organisations across the tourism value chain, with sustainability and AI built into decision-making.

Master's in Responsible Marketing and International Trade Management: Design and execute marketing and international expansion strategies grounded in innovation, data and corporate responsibility.

Master's in Sustainable Finance Management: Integrate ESG criteria into strategic financial decisions and master financial analysis and fintech tools.

Master's in Corporate Social Responsibility and Sustainability: Embed sustainability, ethics and social responsibility in any organisation, with a command of international compliance frameworks.

Study formats: 50% hybrid (one week in the classroom, the next one remote, 7–10 pm or weekends) or online, with live and recorded classes. Days may vary by intake.

Qualification: CMI Business School programmes with a double CMI + Universidad Católica de Ávila (UCAV) degree. Cualificam quality seal for the Responsible MBA and the Marketing, Finance and CSR master's degrees.

Programmes: master's degrees (2/2)

Master's in Human Resources Management and Organisational Development: Design talent strategies for the sustainable development of people and organisations, supported by people analytics.

Master's in Information Technology, Cybersecurity and Artificial Intelligence: Design, manage and protect technology infrastructure and information systems with ethical and sustainability criteria.

Master's in Supply Chain Management, Logistics and International Trade: Plan and manage global supply chains, balancing efficiency, profitability and sustainability.

Master's in Leadership, Ethics and Change Management: Develops conscious, ethical leaders able to drive transformation in organisations in any sector.

Master's in Comprehensive Orthodontics, Aesthetic Restoration and New Technologies: Clinical training for dentists in comprehensive orthodontic diagnosis, planning and treatment. Open to qualified dentists only.

Study formats: 50% hybrid or online, with live and recorded classes. Orthodontics: hybrid, on Saturdays, 9 am–2 pm. Days may vary by intake.

Qualification: CMI Business School programmes; double CMI + UCAV degree in Human Resources Management (with the Cualificam seal), Information Technology and Supply Chain; CMI degree in Leadership, Ethics and Change Management and in Orthodontics.

Specialists and Vocational Training

Specialist Diploma in Project Management and Leadership: Plan, execute and close projects using predictive and agile methodologies.

Specialist Diploma in Administrative Management, Customer Service and AI: Organise administrative processes and manage customer relationships across all channels.

Specialist Diploma in Quality Management and Corporate Social Responsibility: Design, implement and audit quality and sustainability systems to international standards.

Specialist Diploma in Digital Marketing and Social Media Management: Design, implement and measure digital marketing strategies aligned with business objectives.

Specialist Diplomas: CMI Business School programmes, on campus every other week, on Saturdays, 9 am–2 pm, and one Friday a month, 4–9 pm (Administrative Management: every other Monday, 7–10 pm). Double CMI + UCAV degree.

Advanced Vocational Training in Administration and Finance: Trains technicians to organise and carry out a company's administrative, accounting, tax and financial operations.

Advanced Vocational Training in Marketing and Advertising: Trains technicians to define and monitor marketing policies, research the market and run advertising campaigns. Both are official qualifications of the CMI Vocational Training Institute (centre 28083142), which also offers Vocational Micro-credentials (Grades A, B and C), stackable towards Higher Vocational Training and issued with Europass: cmi.es/en/fp/micro-credentials/.

Experts and Continuing Education

Expert Diploma in Corporate Social Responsibility and Sustainability: Help design and implement sustainability policies using the SDGs as a framework.

Expert Diploma in Sustainable Digital Marketing: Design effective, responsible digital marketing campaigns aligned with the brand's sustainability values.

Expert Diploma in Sustainable Finance and Economy: Incorporate ESG criteria into economic analysis and financial decision-making.

Expert Diploma in Sustainable Entrepreneurship: Turn an idea into a viable business model aligned with sustainability and positive impact.

Expert Diploma in Artificial Intelligence applied to Business: Identify AI opportunities within the organisation and lead their integration into business processes.

Qualification: CMI Business School programmes awarding a CMI degree; the Corporate Social Responsibility and Sustainability diploma offers a double CMI + UCAV degree.

Continuing education: a catalogue of online courses for individuals and organisations. See cmi.es. Languages: Business English, 60 hours, from A2 level (cmi.es/en/languages/business-english/).
